### **JIWAN GAHUNIA**

Born in India, Jiwan came to the UK when he was 16, and has never looked back. Married with two children, he runs his own business in South Wales, and keeps fit by not only playing squash, but by doing circuit training and climbing mountains in Wales. He quite often does circuits, plays squash, and finally goes walking, all on the same day!

On 17th November 2018 Jiwan will embark on his challenge to raise sponsorship for St David's Hospice Care. If you'd like to see what Jiwan is getting up to each day then you can view the full itinerary on his **Just Giving page: <https://www.justgiving.com/fundraising/JiwanMountKilimanjaro2018>**

Peter & Jiwan would appreciate any donations towards their efforts in this challenge in support of their local hospice, **St David's Hospice Care**. Visit Jiwan's Just Giving page to make a donation or to view any blog updates as the adventure unfolds.
