Squash Wales Update

- Mike Workman

Rule Change Discussion

- Rule 5.7 Coloured Spot
- Rule 3.3 Re rank timings
- Rule 6.3 /6.6

Rule 5.7

- The double yellow dot ball must be used.
- Proposed wording-
- *The double yellow dot ball must be used unless agreed between both captains prior to the match when a single yellow spot may be used*

Rule 3.3

- Ranking list for all players for each team must be submitted to the Secretary at least one week prior to the start of the season. Teams will be allowed to add to or change their ranking list up to three times until the end of the season, unless the player is entering the rankings for the first time or is returning from an injury previously reported and agreed with the Secretary, in which case this change will not be counted as one of the three changes. Any changes in the ranking list must be confirmed by the Secretary, at least 24 hours before the next match.
- Proposed new wording
- *Ranking list for all players for each team must be submitted to the Secretary at least one week prior to the start of the season. Teams will be allowed to change their ranking list (i.e a “re-rank”) once only, at the mid season point. New players entering the rankings for the first time, or returning from an injury previously reported and agreed with the Secretary, can be added at any time. Normal “tying up” rules apply for players moving down in the rank due to new players being added or a re ranking.*
- *Any changes in the ranking list must be confirmed by the Secretary, at least 24 hours before the next match.*

Rule 6.3

6.3

- Walkover (19-0) and 20 Penalty Points will usually be deducted for cancellation by either team on the day of the match. .
- Walkover (19-0) and 10 Penalty points will usually be deducted for cancellation by either team within 72 hours before the match is due to be played.
- Walkover (19-0) and 5 Penalty Points will usually be deducted for cancellation by either team more than 72 hours before the match is due to be played.

Proposed addition

- If by mutual agreement between the two teams a rearranged fixture can be arranged within the season then the results of the re-arranged fixture shall be used. The penalty points however will still be applied to the cancelling team
- In addition, if the cancellation occurs for a match within 2 weeks of the end of the season no rearranged fixture is allowed and the cancelling team with forfeit match 19-0, have the penalty points deducted, and have ?? penalty points deducted for start of the following season.

- 6.4
- Matches **must** be played in the stipulated week.
- 6.5
- Mitigating circumstances, such as unavailability of courts, or dangerous weather, will override these penalties. Matches that must be re-scheduled will be with the secretary's approval of date and venue.
